Children are a gift from God and have many gifts to offer in the ministry of the church. We as a church share in the responsibility with parents for the spiritual growth of each of the children in our community. Therefore, it is my purpose to help children establish a strong relationship with Jesus Christ and continue to grow in their faith through learning, worshipping, serving and fellowship.

Below are just a few brief words about some of the recurring activities at CSUMC.

8/23	Children's Choir Bible Worms 5:30-8pm

12/24	Christmas Eve Service 7pm
12/25	Merry Christmas!

Sunday School - Sunday School for children is open to grades 1 - 6 and takes place in between 1st and 2nd service.

WOW - WOW stands for Worship Our Way.

During 11:00 service we head back to the children's area after Children's Time and learn more about the Bible, sing, and engage in fun lessons.

Terrific Nights Together (TNT) - Our Wednesday Night Activities are designed to help our church body grow healthy, grow practically, and grow into fully devoted disciples. Wednesday Night Activities include:

Meal - Sharing a meal together is a very special way to fellowship and connect with one another. Sometimes we share a meal with the entire congregation and sometimes its just us kiddos.

Bible Worms - The Bible Worms is a children's group where we learn about the Bible story through message, crafts, and fun games together.

Children's Choir - Children's Choir is a fun and energetic way to praise God through singing! Grades 1-6 are welcome!

Volunteers are always needed and welcome! Feel free to ask me how you can get involved!

- Angela Ulibarri, Children's Ministry Director
